#### METHOD AND MEANS

15. It was a part of the conspiracy that the co-conspirators would and did travel to various locations in the Middle District of North Carolina and elsewhere in order to unlawfully obtain certain means of identification of

individuals, including, but not limited to: driver's licenses, United States passports, United States legal permanent resident cards, Social Security numbers, dates of birth, addresses, debit card numbers, credit card numbers, and checking account numbers.

16. It was a further part of the conspiracy that the co-conspirators would and did target certain neighborhoods in these various locations that they deemed to be "country club-type" neighborhoods and wait in parking lots of local businesses for females to leave their vehicles without carrying bags or purses.

17. It was a further part of the conspiracy that the co-conspirators would and did break into the targeted vehicles with the aid of certain tools, including but not limited to, a "window center punch" and/or a crowbar, and would and did steal the bags and/or purses of the vehicle's drivers and/or occupants, that is, the victims.

18. It was a further part of the conspiracy that the co-conspirators would illegally obtain, from the stolen bags and/or purses, various means of identification belonging to the victims.

19. It was a further part of the conspiracy that the co-conspirators would and did write checks from one of the victim's (the "first victim") checkbooks to another victim (the "second victim").

20. It was a further part of the conspiracy that the co-conspirators would and did enlist various females, including but not limited to co-conspirators VICKIE LYNN BRANTLEY and ELIZABETH ANN WOLFORD, to pose as the second victim and cash the check drawn on the checking account of the first victim at the drive-through teller window of a bank where the second victim held an account.

21. It was a further part of the conspiracy that the female posing as the second victim would use the second victim's unlawfully obtained means of identification as a form of verifying identification when cashing a fraudulently-issued check.

22. It was a further part of the conspiracy that the female posing as the second victim would often employ various means of disguise, such as a wig, so to appear more physically similar to the second victim, as pictured in the unlawfully obtained form of photo identification.

23. It was a further part of the conspiracy that the co-conspirators instructed the female cashing the check to use the farthest drive-through lane from the bank teller window so as to hinder the bank teller's ability to compare the female's physical appearance with that of the second victim, as pictured in the unlawfully obtained form of photo identification.

24. It was a further part of the conspiracy that other co-conspirators would and did wait in a separate vehicle from the female posing as the second victim in order to monitor for the potential arrival of law enforcement.

25. It was a further part of the conspiracy that the co-conspirators often would and did switch vehicles after each attempt to cash a check was made, regardless of whether such attempt was successful or not, in order to avoid potential detection.

26. It was a further part of the conspiracy that the co-conspirators would and did drive rental vehicles rather than personal vehicles in order to avoid potential detection.

27. It was a further part of the conspiracy that the co-conspirators would and did obstruct the visibility of defining characteristics of the license plate of rental vehicles in the drive-through bank teller lane to avoid potential detection.

28. It was a further part of the conspiracy that the co-conspirators often would and did monitor the activity on local police scanners so as to avoid potential detection.

29. It was a further part of the conspiracy that the co-conspirator purporting to be the second victim would receive a percentage of the genuine currency obtained, and other co-conspirators would keep the remaining balance.

30. It was a further part of the conspiracy that the co-conspirators would and did unlawfully obtain means of identification for individuals whose initials are E.B., E.W., L.J., S.J., H.S., W.R., E.R., K.H., M.C., A.M., K.L., R.R., E.S., T.P., C.P., J.R., J.D., J.B., B.W., K.A., P.G., G.H., S.D., G.S., R.S., V.L., D.L., R.M., C.M., M.W., P.Y., T.W., L.C., N.L., B.L., P.W., Y.W., M.M., D.M., C.H., N.L., A.W., N.G., S.B., T.D., M.G., A.G., K.B., M.B., K.R., D.T., L.T., B.N., and C.Q., for use in executing the fraudulent scheme.
